St. Stephen's In-the-Field 8th Annual Golf Tournament

Making a Difference in the World...

We cordially invite you and your foursome to the eighth annual St. Stephen's Golf Tournament. I was not really sure summer would ever arrive this year. I think we completely skipped over spring, and went from the long, cold, rainy winter, directly into summer. What better way could there be to celebrate this awesome Northern California summer than by participating in our annual golf tournament, at the unparalleled Almaden Golf and Country Club?

Your Tournament planning team is working hard to prepare a fantastic event for you; one filled with fun and relaxation, on beautiful grounds, with an objective to provide resources to transform the lives of some people who really need our support.

The community at St. Stephen's in-the-Field is committed to on-going support for Santa Maria Urban Ministries; Sudanese Youth Opportunities - which funds the education of 32 Sudanese children who are attending a boarding school in Kenya; and St. Stephen's Parish Pre-school (which will begin our fourth year in August). Also, we are affected by so many members, relatives, and friends who are engaged in the battle against breast cancer, that we plan this year to add support for the eradication of this horrific disease with a donation to the Susan B. Kronan Cancer Research Foundation. My wife Ruth is a cancer survivor, and this cause is dear to my own heart.

I request your support of these life-changing ministries through your participation in our

Tournament, auctions, the dinner, raffles, and other donations.

May God richly bless you for your generous support of the works of ministry done through St. Stephen's.

Blessings,

Rector, St. Stephen's in-the-Field Episcopal Church
